MAN FROM MAYSVILLE

Touring Europe—Mr. Robert L. Hoefflich Tells of His Travels

THE LEDGER takes pleasure in giving space to the following from Mr. Robert L. Hoefflich, who is now touring Europe—

KOLN DOMPLATZ, July 19th, 1908.

Dear Ledger: According to promise I am writing you today. The steamer we sailed on was grand, 13,000 tons, 600 feet long, and had a Captain that had made 267 round-trips, and he was alright. I sat at his table and we had anything it was possible to have. In the evenings one side of the steamer would be hung with flags of every Nation and plenty of electric lights and a fine orchestra would play and we would dance. The Fourth of July was celebrated better than ever on a liner, so the

Captain said. It was an all day celebration, beginning at 10 a. m. with Uncle Sam and Miss Columbia and a bunch of us in colonial costumes headed by the band. Then came all the passengers. We went all over the ship, even in the steerage, then had patriotic speeches and songs. At 3 p. m., sports of all kinds with prizes and they were sports, ship full of College boys and girls. Then in the evening a grand vaudeville performance in the large dining-room. Uncle Sam would have been proud of it. We had splendid programs for everything, even time to order automobiles after the performance 11 p. m.

Since landing it has been picture galleries, art museums and Kings' Palaces, many of them not near as comfortable as Maysville homes, especially in the winter. Came here yesterday and went to the famous Cathedral and heard grand music this morning. Tomorrow it is

a boat trip up the beautiful Rhine, then to the wonders of Switzerland.

I hope you are well and prospering. Will certainly enjoy THE LEDGERS, which are being sent from home. Kindest regards to all. Yours truly, R. L. HOEFFLICH.

Bargain: Piano \$25 at Gerbrich's.

Mr. John J. Ryan and Mr. August Swanson, extensive merchants of Chicago and Omaha, respectively, were guests of Mr. Hugh O'Donnell yesterday at the home of his mother on Bridge street. En route to New York for the fall opening, these gentlemen took occasion to sojourn for a day in the "Land of the Lord," which title, on their departure, they readily conceded to Kentucky. Accompanying them from Chicago were Miss Eunice and Master Hugh, Mr. O'Donnell's promising children, who, having just finished the preparatory schools, will in September assume their collegiate course.

Dr. B. F. Eckman, formerly of Mt. Carmel, was injured at Covington Wednesday by his auto crashing into an L. and N. train.

Miss Gordon's Training School will open Thursday, September 3d. For further information see the Advisory Board or address the Principal, Jett, Ky.

The meeting at the Aberdeen M. E. Church continues to grow in interest. There has been a number to request prayer. One has professed conversion, one reclamation. Brother Grizzle the Evangelist continues to grow in favor with the people. He will preach Saturday at 3 p. m., 7:30 p. m.; Sunday at 11 a. m., 7:30 p. m. The Young People's meeting will be held Sunday afternoon at 3 o'clock. Brother Grizzle will be pleased to have all the young people, especially those who are interested, at the meeting.

Muslin Petticoats

One of the inevitable results of an underwear sale is an accumulation of pieces, slightly soiled from handling and from use in store decoration. We have sorted out the Muslin Petticoats that come under this ban. In such charming variety and at such moderate cost, they are certainly enticing, and it will delight any woman to possess one or more. The reductions:

\$4 SKIRTS.....\$3.50
\$3 SKIRTS.....\$2.50
\$2 SKIRTS.....\$1.50
\$1½ SKIRTS.....\$1.25

Silk Petticoats

Handsome Black Silk Petticoats, made for us during the manufacturer's dull season—hence qualities of extraordinary value for \$3.98. A special feature is the fitted top, which is a welcome point in this day of

tight dress skirts. The flounce is a deep sectional one trimmed in strap bands. A double under ruffle for dust and wear protection is another good point. If you are interested in rare skirt values, investigate.

Black Fabric Skirts

There is much diversity in the materials, and beside fabric variety there are ample proportions, good making, pretty styles, moderate prices.

Heatherbloom.

Black, umbrella ruffle with small ruffle at the edge, \$1.98 to \$4. This fabric has the rustle and light weight of silk combined with the durability of cotton.

Mercerized.

Deep circular ruffle, cluster plaited. The splendid wearing qualities of these under-skirts make the prices seem infinitesimal. \$1, \$1.25, \$1.50. Black only.

FOR PRESIDENT,
WILLIAM H. TAFT,
of Ohio.

FOR VICE-PRESIDENT,
JAMES S. SHERMAN,
of New York.

FOR CONGRESS,
Hon. JOSEPH B. BENNETT.

MESSRS. TAFT and BRYAN are dividing honors with Mr. HEARST.

This is three strikes and out for Mr. BRYAN. WILLIE, want to play another game?

An exchange is surprised that it will require 70,000 persons to take the eleventh census in 1910. Why, it will take more than 70,000 to count the vote for TAFT November 3d.

ALL of the railroads which handle bituminous coal are putting on extra trains and rushing coal to the West and Northwest, where the supply of stored coal is about exhausted. This will result in greatly reducing the number of idle cars and will give them work until the crop movement begins.

MR. BRYAN was asked at Lincoln the other day by The New York Times correspondent to say just how predatory corporations had injured the farmers when the price of wheat has advanced 15 cents a bushel since 1896 and freight rates had declined from 46.1 to 11.30 cents in that time between Chicago and New York. Mr. BRYAN had nothing to say, but indicated the question might be dealt with later.

The gravest error in the Standard Oil case was that the fine was too high.

We move that OLLIE JAMES be selected a whole committee to notify Mr. BRYAN of his nomination. What beautiful figures of speech will be preserved to posterity if OLLIE is allowed the entire floor.

E. H. HARRIMAN is now the overshadowing mind in seven great Eastern railroad systems, three of them trunk lines, and in five Western systems, three of them of far-reaching power. Altogether the railway mileage which he either directly controls or exercises in an influential voice over amounts to 43,733, with a total capitalization of \$4,019,500,000.

MARSE HENRI's political casuistry reasons it out that a Democrat cannot be a Prohibitionist, but that a Prohibitionist can be a Democrat. In his hot-footing it for Bryan votes the great Editor is even wasting his eloquent logic upon the Southern Negro and is trying to wheedle Sambo Africans into supporting the Lincoln bunko artist. A Negro would be only a fool and a traitor to follow MARSE HENRI's jack-o-lantern advice.

TODAY'S BEST STORY.

Eugene Walter, the successful young playwright, said at a recent dinner in his honor in New York:

"The playwright, to succeed, must make his point inevitably. Every point, by fair means or foul, must be captured. Not a loophole, for failure to creep in, may be left."

Mr. Walter smiled.

"In fact," said he, "the playwright must be as sure of his point as was the young lady who took advantage of the present leap year to propose."

"She didn't give me a chance," her husband explained afterward to a friend. "She said: 'Will you marry me? Have you any objection?' Thus, whether I said yes or no, she had me cornered."

"Well, you might have kept silent," said his friend.

"That is what I did," the other replied, "and she flung herself on my breast murmuring that silence gave consent."

Appointed State Election Commissioners by Governor Willson

FRANKFORT, KY., July 31st.—Governor Willson today appointed the State Board of Election Commissioners to serve for the election in November.

He reappointed Judge C. R. McDowell of Danville as the Democratic member of the Board and John T. Shelby of Lexington as the Republican member. Clerk of the Court of Appeals Napier Adams is ex-officio chairman of the Board.

The election statute requires that the Governor make the appointment of the State Commissioners before the first of August.

RUNAWAY HORSE

Buggy Upset and the Occupants Thrown to the Ground

A horse attached to a buggy containing Mr. Patrick O'Neill, Miss Winnie Sweeney and a little two-year-old niece, while standing in West Front street, frightened at the approach of the 5:30 C. and O. train last evening, ran off, and in making a sharp turn at the Hill House corner upset the buggy and spilled the occupants on the ground.

Mr. O'Neill received a scalp wound and Miss Sweeney was bruised about the arms in protecting the child, which escaped with a few abrasions on the face.

The horse was caught by Colonel J. P. Johnson after running a short distance up Sutton street.

The buggy was badly wrecked. It was fortunate that all escaped as lightly as they did.

They were about starting for their home in Mayslick when the accident occurred.

HEALTH IN
Fruit Juices

Scientists tell us that the juices of ripe fruits are healthful and easily digested. The child can drink them as safely as the adult.

The syrups served at our fountain are made from the juices of fresh, thoroughly ripened fruits.

Care, cleanliness, skill and experience are used in their preparation. We think that better syrups than ours cannot be produced.

We are constantly at work solving the problem of how to serve better and more healthful drinks, if possible, than we have ever served before.

The perfect sanitary condition of our fountain and the drinks we serve are a constant study with us.

How to Cure Your Piles

Due Often To Carelessness or Neglect and Stubborn to Cure

"The knife is not always necessary to cure even desperate cases of piles," says a physician whose years and experience make him an authority. "Indeed," he says further: "I have known some very aggravated cases of long standing cured by a simple home remedy that restored to the bowels easy natural daily movements."

And the doctor is right, as many letters from cured people in various parts of the country prove. If sufferers from piles, rectal tumors and ulcers would try Dr. Caldwell's Syrup Pepsin they would often save themselves the terrible pain and danger and the heavy expense of a severe surgical operation.

Piles are often due to constipation and are always aggravated by it. Easy natural movements of the bowels such as are invariably produced by this famous laxative without pain or gripe do much to restore a normal, healthy condition to the bowels and thus cure piles.

M. H. Miller, Moweaqua, Ill., says: "I have been troubled all my life with piles brought on by constipation. I tried many doctors and numerous remedies, but found no relief until I used Dr. Caldwell's Syrup Pepsin. I have used it as a laxative and stomach remedy for the past nine years and have no more troubles with piles." H. N. John, Minneapolis, Kan., says he suffered for four years with piles which were so bad that he could not work. Four bottles of Dr. Caldwell's Syrup Pepsin cured him, and he says he has not been bothered since.

Dr. Caldwell's Syrup Pepsin is a safe sure remedy for constipation, restoring easy natural daily movements in the worst old chronic cases, yet so mild and pleasant to take mothers give it to their babies with splendid results. It is sold by all druggists at 50c and \$1.00 per bottle. Pepsin Syrup Co., 302 Caldwell Bldg., Monticello, Ill., will send a free sample to anyone who has not used it and will give it a fair trial.

Rev. Tom Wood, local Preacher of the M. E. Church, South, at Tilton, spent today with us.

One of our dignified Doctors of Divinity, on his way out on the 'bus the other afternoon, in anticipation of the many good things to eat on the Campgrounds, was conversing quite freely on the subject with his fellow passengers. In the course of his conversation he expressed the hope that they would have blackberry pie. One good sister, who was a good friend of the aforesaid Doctor of Divinity, determined within herself that he should not be disappointed. Finding out soon that that particular kind of pie was not on the hotel's menu, she set about having one made to order. The recipe she gave called for a thin layer of dough, then a layer of sawdust covered with an additional layer of cotton, with a little blackberry juice sprinkled onto make it look tempting. Knowing that the Preachers were to have a meeting in their tent, she arranged with a good brother to take the pie and at a good time to step in and make his best bow and with a few well-chosen words present the Doctor with the pie. Well, it worked all right in the making of the pie, but in transferring it from the place of baking to the place of eating it got switched, so that while the gentlemen was making his

WELL DESERVED

The Praise That Comes From Thank-ful Maysville People.

One kidney remedy never fails. Maysville people rely upon it. That remedy is Doan's Kidney Pills. Maysville testimony proves it always reliable. Mrs. Della Means, 325 East Front street, Maysville, Ky., says:

"About seven years ago kidney trouble made its appearance in my case. The first symptom was a sharp pain through the kidney regions, accompanied by a bearing-down feeling through the hips and loins. Dull, miserable headaches soon began to bother me, and I would often become so dizzy that if I did not catch hold of something I would have fallen. I continued to grow worse, until my condition became such that I was often confined to my bed for a week at a time. No remedy I used helped me in the least, and I was in a truly critical condition. Dropsical symptoms appeared, and at times there was an almost complete retention of the kidney secretions. My feet and ankles became so swollen that at times I could not wear my shoes, and this swelling gradually spread to all parts of my body, and it would be impossible to describe the misery I endured. I had about despaired of ever being cured, when I read of a person who had been cured of a similar trouble by the use of Doan's Kidney Pills. Deciding to try them, I procured a box at J. J. Wood & Son's Drugstore, and obtained so much relief from the contents of this box that I procured a further supply and through its use was entirely cured. I have no hesitancy in saying that Doan's Kidney Pills saved my life, and it would be impossible for me to give them more praise than they deserve."

For sale by all dealers. Price 50 cents. Foster-McMillan Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

RUGGLES CAMPMEETING

What Is Going On Now at These Beautiful Grounds

RUGGLES CAMPGROUNDS, July 30th, 1908.

This has been what is considered the big week day of the camping. Visitors from all sections have been here to attend the annual memorial service. Rev. F. W. Harrop had charge of this service, which was held at 10 a. m. The Communion Service was held previous to the sermon, in which seventeen Ministers and about 100 other communicants participated. The names of those who have died during the year were read. These are the names: Mrs. S. G. Parsons, Tollesboro; Mrs. Dr. Bowman, Tollesboro; Mrs. R. E. Thomas, Burtonville; Miss Cora Lee Lucas, Wallingford, and Miss Carrie Bell Morford of Covington. Rev. Harrop then preached what was conceded to be one of the best and most impressive memorial sermons ever delivered at this place. His text was "All power is given me in heaven and on earth." Two musical selections, "Lead, Kindly Light" and "Come, Ye Disconsolate," were very sweetly rendered by a quartette composed of Miss Crane, Mrs. Winn Bowman and Revs. J. M. Brown and G. W. Bunton.

The afternoon young people's service, with Brother Bunton leader, was carried on with the usual interesting features with an increased attendance.

Rev. L. R. Godfrey preached to a Tabernacle crowded with people tonight. Rev. A. H. Davis conducted the after service.

We will have another big treat on hand Sunday for those who come—Rev. H. C. Jameson of Cincinnati, one of that city's greatest and most intensely evangelistic exponents of the gospel. Unless all indications fail, there will be present the largest crowd ever assembled on the grounds. Dr. Jameson will preach at two services and will no doubt be heard by hundreds of people.

A delightful wagonette party consisting of Mr. and Mrs. George N. Harding, Mr. and Mrs. J. Porter Alexander and Mr. Joseph Simons and family spent a very pleasant day with us.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Ad dress, F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

WASHING WITHOUT WATER

Is Like Trying to Get Rid of Dandruff Without Herpicide.

Did you ever see any one trying to wash themselves without soap or water?

If you did what would you say of him? It is every bit as foolish to try to get rid of Dandruff and to prevent Baldness by feeding the germs which cause it, with Cantharides, Yaseline, Glycerine and similar substances which form the principal ingredients of most so-called Hair Growers.

Newbro's Herpicide is successful because it attacks and kills the parasite germ which feeds on the hair roots. It is the original and only genuine scalp germicide manufactured. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.
